Yearly Program

Training plan 2026/27

Terms

Term 1	Onboarding, tooling, first tasks
Term 2	Feature work with review
Term 3	Independent project

During the placement the student takes part in the daily work of the host company under the guidance of a business mentor. The school's mentor teacher follows progress through regular reports and visits. Both parties agree to respect working hours, safety rules and the confidentiality of company information.
